

THE PATRIOT'S CALL

BISHOP CHARLES McLAUGHLIN ASSEMBLY 1818

UNITED IN FAITH AND FREEDOM

November 2026 Volume II Issue IV

Thanksgiving Blessing

As we enter November, we pause to give thanks for the many blessings God has placed in our lives our families, our freedoms, our faith, and the fraternity we share as Brother Knights of Assembly 1818.

We pray for all families gathering this Thanksgiving, that their homes be filled with peace, joy, and renewed closeness. We honor our veterans and

active-duty military, whose courage and sacrifice safeguard the liberties we cherish. We remember the Holy Souls in Purgatory and all deceased Knights and loved ones, asking God to grant them eternal rest.

We give thanks for the unity and growth of Assembly 1818, for the dedication of our Color Corps, and for the brotherhood that strengthens our mission of faith, charity, and patriotism.

A Thanksgiving Prayer

Lord, Bless our families, protect our veterans and military, welcome the Holy Souls into Your light, and continue to guide Assembly 1818 in unity and service. Fill our hearts with gratitude and our lives with Your peace. **Amen.**

Greetings, Brother Knights:

I never served in uniform. I never marched into battle or saluted the flag from foreign soil. But I've stood beside the graves of those who did. Family, friends, and fraternal brothers whose courage shaped my life more than they ever knew. Each Veterans Day, I feel their absence like a quiet echo. There's an empty chair in my heart for every one of them. Neighbors and parishioners whose stories ended too soon, but whose legacies live on in the way we gather, pray, and remember. Though I didn't serve, I serve now in memory, in honor, and in faith.

That's why I wear the regalia of the Fourth Degree, the Patriotic Degree of the Knights of Columbus. In the Color Corps, we don't carry rifles. We carry swords not for war, but for ceremony. We stand at attention for every veteran and every branch, every flag-draped casket. We salute not rank, but sacrifice. We are the guardians of remembrance.

When I stand beside my fellow Sir Knights, I see more than uniforms, I see stories. I see families who gave everything. I see the quiet strength of patriotism rooted in faith. I see our Assembly 1818 living out its mission: to honor, to serve, and to never forget.

This Veterans Day, I invite you to pause, to pray, and to remember the empty chairs. Fill them with gratitude, with love, and with the promise that their sacrifice was not in vain.

We stand because they stood. We serve because they served. We will remember their sacrifice always.

May God bless you and your families.

Vivat Jesus!

Important Update Regarding the November No Veteran Forgotten Ceremony

Brother Sir Knights,

I am writing to inform you of an important scheduling change for our **No Veteran Left Behind Ceremony**.

I received a message from **SK Bob Marrah**, who gave us a “heads up” regarding the month of November. Our regularly scheduled ceremony would normally take place on the **second Wednesday**, which falls on **November 11** this year.

However, **November 11 is Veterans Day**, and Sarasota National Cemetery will be holding its **annual Veterans Day Mass** on that morning. Because of this major event, **there will be no “No Veteran Forgotten Ceremony” in November.**

December Ceremony Adjustment

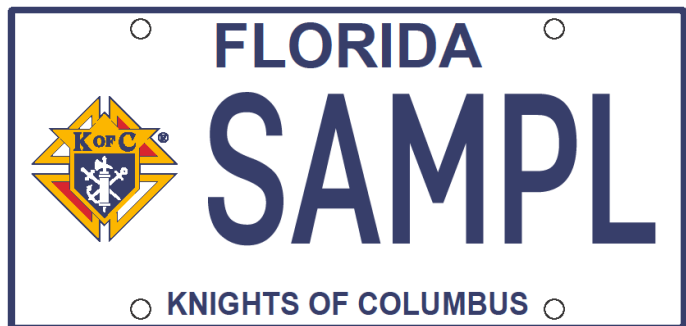

In **December**, we will honor **all Veterans interred during October and November**. There will be **no separate November ceremony**, but every Veteran laid to rest in those two months will be remembered with full dignity and respect at the December gathering.

The names below were honored during the October 14th Ceremony at Sarasota National Cemetery

Florida Knights of Columbus License Plate Initiative

Brother Knights,

If you attended our last Monthly Meeting, Faithful Navigator Tony Hopfinger shared that the Florida Knights of Columbus License Plate Program is finally beginning to take shape. The State Council is gathering signatures of interest so they can bring an official request before the Florida Legislature for approval.

How to Show Your Support There are two ways to express interest:

1. Online (Preferred Method)

- Visit the **Florida State Council website**
- Open the **blue pull-down menu**
- Select **Charity Resources**
- Click **FL KC License Plate Request** You will need your **membership number** to complete the form.

2. Paper Form A printable form is also available for those who prefer to submit their interest manually. It will be available at our next monthly assembly meeting but for sure online is the preferred method.

Who Can Participate? At this stage, the program is **open only to Knights**. Whether it expands later is unknown, but the more support we show now, the stronger the case becomes.

Why This Matters A Knights of Columbus specialty plate would be a visible witness to our faith, our fraternity, and our commitment to charity. It's a simple way to evangelize on the road and strengthen our presence across Florida.

Let's Help Move This Forward The campaign is just getting started, and every signature helps. I will include a direct link to the Florida State Council website so you can sign up easily.

Together, we can help bring this project from idea to reality one Knight at a time.

“A Victory for Catholic Veterans”

From :Bishop Charles McLaughlin Assembly 1818, Venice, Florida

Bishop Charles McLaughlin Assembly 1818 stands in gratitude and support of Congressman Greg Steube (R FL) for his steadfast leadership in securing a long overdue honor for Catholic Veterans: the right to have a CRUCIFIX placed on their headstone in our nation's veteran cemeteries

Nearly one in five American Veterans is Catholic and many are buried at veteran cemeteries without a choice for a catholic symbol engraved on the headstone. The current choice is among 100 that include Islam, Judaism, Hinduism, Wicca and secular humanism.

Neil Voje a member of Epiphany Cathedral, Venice Florida exposed this Catholic failing when he requested the principals at Sarasota National Cemetery for a headstone engraved with the Catholic crucifix to honor Stan Voje, his deceased veteran brother. The V.A. said the wait could be between 3-5 years. Being persistent, Neil worked his way up to Congressman Greg Steube who identified the need.

Congressman Steube realized this injustice and acted. In April, he led a bipartisan coalition of 45 members of congress in a letter to VA Secretary Douglas Collins and Under Secretary for Memorial Affairs Sam Brown, urging the VA to add the crucifix to its approved list of emblems. His message was clear: Catholic Veterans deserve the same reverence and representation afforded to every other faith tradition.

The enthusiasm quickly grew into a national movement. The Archdiocese for the Military Services, USA under Archbishop Timothy Broglio, publicly supported the initiative. Representative Riley Moore strengthened the cause by securing language in the Military Construction and Veteran Affairs funding bill directing the VA to approve the crucifix as an eligible emblem.

The house passed the bill with overwhelming bipartisan support--400-1-- a resounding affirmation of the dignity owed to our Catholic servicemen and women.

We extend our heartfelt thanks to Congressman Steube for his unwavering commitment, courage, and advocacy on behalf of Catholic Veterans and their families. Special thanks to Neil Voje for lighting the Fire for our Catholic veterans.

Our Assembly 1818 stands proudly and echoes their resolve: We will not rest until every Catholic veteran has the right to be laid to rest beneath the Catholic Crucifix.

THE DIFFERENCE

BETWEEN CRUCIFIX AND CROSS:

CRUCIFIX

The Crucifix (a Cross with a Corpus) is a symbol used by the Catholic Church. Its name is derived from the Latin word *cruci fixus* which means "fixed to a cross." It thus refers to an image of Jesus fixed to a cross which is distinct from a plain cross.

Most crucifixes include the sign INRI across the top. INRI is the Latin abbreviation for "Iesus Nazarenus, Rex Iudaeorum" or Jesus the Nazarene, King of the Jews.

CROSS

The cross is a symbol of Christianity. But there are over 35,000 Christian denominations in the world. More often than not, protestants do not have the body of Christ on the Cross. In Roman times, the cross was an instrument of torture and public humiliation.

Today, the cross has been adopted as a symbol of the ultimate sacrifice. It evokes Jesus' death and, more importantly, His resurrection.

Note: Catholics understand that both the simple cross and the crucifix are symbols of our faith, helping us to recall Jesus' great sacrifice for us.

Brother Sir Knights,

It may feel early to mention Christmas, but as we all know, the holiday season fills up quickly and **saving the date now** ensures we can gather together for one of the most joyful celebrations of our fraternal year.

Please mark your calendars for our **Assembly 1818 Christmas Party Saturday, December 19, 2026, at Venetian Golf & Country Club**

Last year, everyone who attended spoke with genuine appreciation for the evening. The venue was superb, the atmosphere warm and festive, and the food was absolutely delicious with several wonderful meal choices that made the night even more special.

More than a party, this celebration is a moment to pause, to breathe in the joy of the season and to share fellowship with the brothers and sisters who make our Assembly family so strong. As details become available, we will share them. For now, we invite you to hold this date in anticipation of a beautiful evening of unity, laughter, and holiday cheer.

We sincerely hope to see you there.
